I manage cases both in the local Circuit courts and our cases in the U.S. District Courts in our asbestos litigation firm. I draft and file various pleadings and motions, then organize our cases accordingly. I communicate with clients on the progress of their cases. I assist all of the attorneys in our office with various research projects and write memos on legal issues. I organize and draft documents in preparation for hearings and trial dates.

Extracurricular Activities:

- High school girls Bible Study leader
